II. PURPOSE OF RFP AND SCOPE OF SERVICES

A. AGENCY OVERVIEW

The Department of Mental Health and Addiction Services (DMHAS) promotes and administers comprehensive, recovery-oriented services in the areas of prevention, mental health treatment and substance use treatment throughout Connecticut.

The Department's mandate is to serve adults (over 18 years of age) with psychiatric or substance use disorders, or both, who lack the financial means to obtain such services on their own. DMHAS also provides collaborative programs for individuals with special needs, such as persons with HIV/AIDS infection, people in the criminal justice system, those with problem gambling disorders, pregnant and parenting women with substance use disorders, persons with traumatic brain injury or hearing impairment, those with co-occurring substance use and mental illness, and special populations transitioning out of the Department of Children and Families.

DMHAS operates on the belief that people with mental illnesses and/or substance use disorders can and should be treated in community settings, and that inpatient treatment should be used only when absolutely necessary to meet the best interests of the individual. DMHAS is responsible for providing a wide range of services to adults in each of the five human service Regions in Connecticut.

Department Mission

"To promote the overall health and wellness of persons with behavioral health needs through an integrated network of holistic, comprehensive, effective, and efficient services and supports that foster dignity, respect, and self-sufficiency in those we serve."

Department Vision for Crisis Services

To provide persons in distress (crisis) immediate access to a continuum of crisis response services of their choice including mobile clinical services, peer services and community supports; to promote the prevention of crisis among persons and families; and to provide postvention activities that support persons in developing a meaningful sense of belonging to their communities.

B. PROGRAM OVERVIEW

- 1. Problem Statement:** Currently, the DMHAS continuum of crisis care consists of mobile crisis teams (providing both in-person and telephonic support), the 988 national crisis call line, a statewide crisis call line-ACTION Line (providing telephone support and warm handoff to a mobile crisis team/clinician if needed), crisis respite beds, and assessment for referral to the system of care. This RFP seeks to expand the array of community-based services and supports available to individuals experiencing a mental health and/or substance use crisis. Currently, there are no peer respite programs in Connecticut. DMHAS recognizes that there is significant research to support peer run services to address the unique needs of individuals on their recovery journey. The literature suggests that individuals who spent short-term stays in peer respite programs were less likely to experience crises that required subsequent emergency room visits and/or inpatient psychiatric admissions (Croft, B. & Isvan, N., 2015). In addition, people who participated in peer respite programs reportedly experienced a higher degree of satisfaction as it relates to his/her crisis resolution (Pelot, M. & Ostrow, L., 2021; Croft, B., Weaver A., & Ostrow, L., 2020).

In SFY '22 approximately 8,200 individuals were seen for a crisis evaluation; over 2,300 of these individuals (28%) were sent to the emergency department for further evaluation. It is highly likely, that if an alternative level of care was available, a number of these individuals could be diverted from the emergency department to a lower and more appropriate level of care. DMHAS seeks to address these gaps in the crisis care continuum, specifically alternative levels of care and places to go other than emergency departments when someone is experiencing crisis/distress.

DMHAS is seeking proposals to establish a short-term, 6-bed, PRP.

- 2. Admission and Referral:** The PRP will accept self-referrals. Additional referrals may come from family members, mental health providers, substance use providers, police departments, and residential programs. Admissions will take place during first and second shifts 7 days per week/365 days per year, from all regions of Connecticut, and will be scheduled. Walk-in admissions are not anticipated. The PRP, in advance of opening, should have developed strong policies and procedures related, but not limited to, the storage and self-administration of medication as well as prohibition of weapons and illicit drug possession/use on the premises. In addition, the PRP should have strong policy related to inclusion of individuals on medications for addiction treatment, including but not limited to methadone.

3. Environment:

The PRP will be located on the 401 West Thames St. campus in Norwich, CT. The milieu should consist of a "home-like" setting with appropriate furnishings, decorations, and space to create a welcoming and trauma-informed environment for individuals. The PRP is comprised of 3 bedrooms to accommodate 6 individuals. The PRP has a kitchen and cooking space, common area, 2 bathrooms, and storage for food and personal belongings.

To view the identified building prior to submission please come to the Uncas on the Thames Campus, Building 301, West Thames Street, Norwich, CT 06360 on 4/26 from 10:00 – 11:30 am, and you will be directed to the site.

4. Program Outcomes:

- a. To offer an additional level of care, in a community home-like setting, as an alternative to the emergency department;
- b. To offer peer support to individuals experiencing crisis/distress; and
- c. To assist individuals in the development of self-reliance skills, and restore their sense of hope and purpose.

5. Target Population:

The target population includes adults, 18 years of age and older, who are in distress and/or in urgent or emergent mental health/substance use crisis. The PRP will be expected to welcome any individuals, whether self-referred or referred by another mechanism, unless the individual exhibits a level of risk which cannot be mitigated within an unlocked setting or due to legal issues that prohibit him/her to be in proximity to a daycare, school, etc. In addition, individuals discharged directly from an inpatient setting or emergency room would not meet eligibility for PRP services as it is assumed that the crisis which precipitated the admission would be resolved by the time of discharge from an inpatient setting/emergency room.

6. Evidence-Based Programming and Preferred Practices

The proposer will incorporate evidence-based and co-occurring peer preferred practices, including but not limited to the following: person-centeredness; trauma-informed care; recovery-oriented; strength-based approach; Intentional Peer Support; individual and group peer support and education; motivational interviewing; wellness activities; Wellness Recovery Action Planning (WRAP), and/or community linkages.

7. Vision for a Successful Program

The vision for the PRP is to provide a short-term, safe, home-like, environment to individuals who identify as experiencing distress and/or emergent or urgent crisis. Through mutual relationship building, individuals will be supported in the development /enhancement of recovery-oriented skills. Services will be strength-based, offer choices and honor each person's capability for personal growth during their recovery journey. As a diversion program, it is anticipated that participation will prevent individuals from requiring crisis evaluation in an emergency room and/or requiring inpatient psychiatric admission. Individuals will experience a welcoming environment designed to de-escalate distress.

Proposers are advised that all materials associated with this procurement are subject to the terms of the Freedom of Information Act (FOIA), the Privacy Act, and all rules, regulations and interpretations resulting from them. If a proposer deems that certain information required by this RFP is confidential, the proposer must label such information as CONFIDENTIAL prior to submission. In subsection IV.F. of the proposal submission, the proposer must reference where the information labeled CONFIDENTIAL is located in the proposal. *EXAMPLE: Section G.1.a.* For each subsection so referenced, the proposer must provide a convincing explanation and rationale sufficient to justify an exemption of the information from release under the FOIA. The explanation and rationale must be stated in terms of (a) the prospective harm to the competitive position of the proposer that would result if the identified information were to be released and (b) the reasons why the information is legally exempt from release pursuant to C.G.S. § 1-210(b).

10. Conflict of Interest - Disclosure Statement. Proposers must include a disclosure statement concerning any current business relationships (within the last three (3) years) that pose a conflict of interest, as defined by C.G.S. § 1-85. A conflict of interest exists when a relationship exists between the proposer and a public official (including an elected official) or State employee that may interfere with fair competition or may be adverse to the interests of the State. The existence of a conflict of interest is not, in and of itself, evidence of wrongdoing. A conflict of interest may, however, become a legal matter if a proposer tries to influence, or succeeds in influencing, the outcome of an official decision for their personal or corporate benefit. The Agency will determine whether any disclosed conflict of interest poses a substantial advantage to the proposer over the competition, decreases the overall competitiveness of this procurement, or is not in the best interests of the State. In the absence of any conflict of interest, a proposer must affirm such in the disclosure statement. *Example: "[name of proposer] has no current business relationship (within the last three (3) years) that poses a conflict of interest, as defined by C.G.S. § 1-85."*

B. EVALUATION OF PROPOSALS

- 1. Evaluation Process.** It is the intent of the Agency to conduct a comprehensive, fair, and impartial evaluation of proposals received in response to this RFP. When evaluating proposals, negotiating with successful proposers, and awarding contracts, the Agency will conform with its written procedures for POS and PSA procurements (pursuant to C.G.S. § 4-217) and the State's Code of Ethics (pursuant to C.G.S. §§ 1-84 and 1-85). Final funding allocation decisions will be determined during contract negotiation.
- 2. Evaluation Review Committee.** The Agency will designate a Review Committee to evaluate proposals submitted in response to this RFP. The Review Committee will be composed of individuals, Agency staff or other designees as deemed appropriate. The contents of all submitted proposals, including any confidential information, will be shared with the Review Committee. Only proposals found to be responsive (that is, complying with all instructions and requirements described herein) will be reviewed, rated, and scored. Proposals that fail to comply with all instructions will be rejected without further consideration. The Review Committee shall evaluate all proposals that meet the Minimum Submission Requirements by score and rank ordered and make recommendations for awards. The Agency Head will make the final selection. Attempts by any proposer (or representative of any proposer) to

contact or influence any member of the Review Committee may result in disqualification of the proposer.

- 3. Minimum Submission Requirements.** To be eligible for evaluation, proposals must (1) be received on or before the due date and time; (2) meet the Proposal Format requirements; (3) meet the Eligibility and Qualification requirements to respond to the procurement, (4) follow the required Proposal Outline; and (5) be complete. Proposals that fail to follow instructions or satisfy these minimum submission requirements will not be reviewed further. The Agency will reject any proposal that deviates significantly from the requirements of this RFP.
- 4. Evaluation Criteria (and Weights).** Proposals meeting the Minimum Submission Requirements will be evaluated according to the established criteria. The criteria are the objective standards that the Review Committee will use to evaluate the technical merits of the proposals. Only the criteria listed below will be used to evaluate proposals. The weights are disclosed below:

Criteria	Points
Organizational Profile	5
Scope of Services	30
Staffing Plan, Training and Supervision	25
Data and Technology	5
Work plan	10
Cultural Competence	15
Budget/Narrative	10
Total	100

As part of its evaluation of the Staffing Plan, the Review Committee will review the proposer's demonstrated commitment to affirmative action, as required by the Regulations of CT State Agencies § 46A-68j-30(10).

- 5. Proposer Selection.** Upon completing its evaluation of proposals, the Review Committee will submit the rankings of all proposals to the Commissioner or Agency Head. The final selection of a successful proposer is at the discretion of the Commissioner or Agency Head. Any proposer selected will be so notified and awarded an opportunity to negotiate a contract with the Agency. Such negotiations may, but will not automatically, result in a contract. Any resulting contract will be posted on the State Contracting Portal. All unsuccessful proposers will be notified by e-mail or U.S. mail, at the Agency's discretion, about the outcome of the evaluation and proposer selection process. The Agency reserves the right to decline to award contracts for activities in which the Commissioner or Agency Head considers there are not adequate respondents.
- 6. Debriefing.** Within ten (10) days of receiving notification from the Agency, unsuccessful proposers may contact the Official Contact and request information about the evaluation and proposer selection process. The e-mail sent date or the postmark date on the notification envelope will be considered "day one" of the ten (10) days. If unsuccessful proposers still have questions after receiving this information, they may contact the Official Contact and request a meeting with the Agency to discuss the evaluation process and their proposals. If held, the debriefing meeting will not include any comparisons of unsuccessful proposals with other

proposals. The Agency may schedule and hold the debriefing meeting within fifteen (15) days of the request. The Agency will not change, alter, or modify the outcome of the evaluation or selection process as a result of any debriefing meeting.

- 7. Appeal Process.** Proposers may appeal any aspect the Agency’s competitive procurement, including the evaluation and proposer selection process. Any such appeal must be submitted to the Agency head. A proposer may file an appeal at any time after the proposal due date, but not later than thirty (30) days after an agency notifies unsuccessful proposers about the outcome of the evaluation and proposer selection process. The e-mail sent date or the postmark date on the notification envelope will be considered “day one” of the thirty (30) days. The filing of an appeal shall not be deemed sufficient reason for the Agency to delay, suspend, cancel, or terminate the procurement process or execution of a contract. More detailed information about filing an appeal may be obtained from the Official Contact.
- 8. Contract Execution.** Any contract developed and executed as a result of this RFP is subject to the Agency’s contracting procedures, which may include approval by the Office of the Attorney General. Fully executed and approved contracts will be posted on State Contracting Portal and the Agency website.

V. MANDATORY PROVISIONS

This section of the RFP provides information about the State's mandatory procurement and contracting requirements, including, the standard Purchase of Service contract, proposer assurances, the terms and conditions of this RFP, the rights reserved to the State, and compliance with statutes and regulations. The Agency is solely responsible for rendering decisions in matters of interpretation of all mandatory provisions. Section V is standard for all RFPs for POS and the content does not vary.

A. POS STANDARD CONTRACT, PARTS I AND II

By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with the provisions of Parts I and II of the State's "standard contract" for POS:

Part I of the standard contract is maintained by the Department and will include the scope of services, contract performance, quality assurance, reports, terms of payment, budget, and other program-specific provisions of any resulting POS contract. A sample of Part I is available from the Department's Official Contact upon request.

Part II of the standard contract is maintained by OPM and includes the mandatory terms and conditions of the POS contract. Part II is available on OPM's website at:
http://www.ct.gov/opm/fin/standard_contract

Note:

Included in Part II of the standard contract is the State Elections Enforcement Commission's notice (pursuant to C.G.S. § 9-612(g)(2)) advising executive branch State contractors and prospective State contractors of the ban on campaign contributions and solicitations. If a proposer is awarded an opportunity to negotiate a contract with the Department and the resulting contract has an anticipated value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts has an anticipated value of \$100,000 or more, the proposer must inform the proposer's principals of the contents of the SEEC notice.

Part I of the standard contract may be amended by means of a written instrument signed by the Department, the selected proposer (contractor), and, if required, the Attorney General's Office. Part II of the standard contract may be amended only in consultation with, and with the approval of, the Office of Policy and Management and the Attorney General's Office.

B. ASSURANCES

By submitting a proposal in response to this RFP, a proposer implicitly gives the following assurances:

- 1. Collusion.** The proposer represents and warrants that the proposer did not participate in any part of the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance. The proposer further represents and warrants that no agent, representative, or employee of the State participated directly in the preparation of the proposer's proposal. The proposer also represents and warrants that the submitted proposal is in all respects fair and is made without collusion or fraud.

- 2. State Officials and Employees.** The proposer certifies that no elected or appointed official or employee of the State has or will benefit financially or materially from any contract resulting from this RFP. The Agency may terminate a resulting contract if it is determined that gratuities of any kind were either offered or received by any of the aforementioned officials or employees from the proposer, contractor, or its agents or employees.
- 3. Competitors.** The proposer assures that the submitted proposal is not made in connection with any competing organization or competitor submitting a separate proposal in response to this RFP. No attempt has been made, or will be made, by the proposer to induce any other organization or competitor to submit, or not submit, a proposal for the purpose of restricting competition. The proposer further assures that the proposed costs have been arrived at independently, without consultation, communication, or agreement with any other organization or competitor for the purpose of restricting competition. Nor has the proposer knowingly disclosed the proposed costs on a prior basis, either directly or indirectly, to any other organization or competitor.
- 4. Validity of Proposal.** The proposer certifies that the proposal represents a valid and binding offer to provide services in accordance with the terms and provisions described in this RFP and any amendments or attachments hereto. The proposal shall remain valid for a period of 180 days after the submission due date and may be extended beyond that time by mutual agreement. At its sole discretion, the Agency may include the proposal, by reference or otherwise, into any contract with the successful proposer.
- 5. Press Releases.** The proposer agrees to obtain prior written consent and approval of the Agency for press releases that relate in any manner to this RFP or any resultant contract.

C. TERMS AND CONDITIONS

By submitting a proposal in response to this RFP, a proposer implicitly agrees to comply with the following terms and conditions:

- 1. Equal Opportunity and Affirmative Action.** The State is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment, or business practices. The State is committed to complying with the Americans with Disabilities Act of 1990 (ADA) and does not discriminate on the basis of disability in admission to, access to, or operation of its programs, services, or activities.
- 2. Preparation Expenses.** Neither the State nor the Agency shall assume any liability for expenses incurred by a proposer in preparing, submitting, or clarifying any proposal submitted in response to this RFP.
- 3. Exclusion of Taxes.** The Agency is exempt from the payment of excise and sales taxes imposed by the federal government and the State. Proposers are liable for any other applicable taxes.
- 4. Proposed Costs.** No cost submissions that are contingent upon a State action will be accepted. All proposed costs must be fixed through the entire term of the contract.
- 5. Changes to Proposal.** No additions or changes to the original proposal will be allowed after submission. While changes are not permitted, the Agency may request and authorize proposers to submit written clarification of their proposals, in a manner or format prescribed by the Agency, and at the proposer's expense.

- 6. Supplemental Information.** Supplemental information will not be considered after the deadline submission of proposals, unless specifically requested by the Agency. The Agency may ask a proposer to give demonstrations, interviews, oral presentations or further explanations to clarify information contained in a proposal. Any such demonstration, interview, or oral presentation will be at a time selected and in a place provided by the Agency. At its sole discretion, the Agency may limit the number of proposers invited to make such a demonstration, interview, or oral presentation and may limit the number of attendees per proposer.
- 7. Presentation of Supporting Evidence.** If requested by the Agency, a proposer must be prepared to present evidence of experience, ability, data reporting capabilities, financial standing, or other information necessary to satisfactorily meet the requirements set forth or implied in this RFP. The Agency may make onsite visits to an operational facility or facilities of a proposer to evaluate further the proposer's capability to perform the duties required by this RFP. At its discretion, the Agency may also check or contact any reference provided by the proposer.
- 8. RFP Is Not An Offer.** Neither this RFP nor any subsequent discussions shall give rise to any commitment on the part of the State or the Agency or confer any rights on any proposer unless and until a contract is fully executed by the necessary parties. The contract document will represent the entire agreement between the proposer and the Agency and will supersede all prior negotiations, representations or agreements, alleged or made, between the parties. The State shall assume no liability for costs incurred by the proposer or for payment of services under the terms of the contract until the successful proposer is notified that the contract has been accepted and approved by the Agency and, if required, by the Attorney General's Office.

D. RIGHTS RESERVED TO THE STATE

By submitting a proposal in response to this RFP, a proposer implicitly accepts that the following rights are reserved to the State:

- 1. Timing Sequence.** The timing and sequence of events associated with this RFP shall ultimately be determined by the Agency.
- 2. Amending or Canceling RFP.** The Agency reserves the right to amend or cancel this RFP on any date and at any time, if the Agency deems it to be necessary, appropriate, or otherwise in the best interests of the State.
- 3. No Acceptable Proposals.** In the event that no acceptable proposals are submitted in response to this RFP, the Agency may reopen the procurement process, if it is determined to be in the best interests of the State.
- 4. Award and Rejection of Proposals.** The Agency reserves the right to award in part, to reject any and all proposals in whole or in part, for misrepresentation or if the proposal limits or modifies any of the terms, conditions, or specifications of this RFP. The Agency may waive minor technical defects, irregularities, or omissions, if in its judgment the best interests of the State will be served. The Agency reserves the right to reject the proposal of any proposer who submits a proposal after the submission date and time.
- 5. Sole Property of the State.** All proposals submitted in response to this RFP are to be the sole property of the State. Any product, whether acceptable or unacceptable,

developed under a contract awarded as a result of this RFP shall be the sole property of the State, unless stated otherwise in this RFP or subsequent contract. The right to publish, distribute, or disseminate any and all information or reports, or part thereof, shall accrue to the State without recourse.

- 6. Contract Negotiation.** The Agency reserves the right to negotiate or contract for all or any portion of the services contained in this RFP. The Agency further reserves the right to contract with one or more proposer for such services. After reviewing the scored criteria, the Agency may seek Best and Final Offers (BFO) on cost from proposers. The Agency may set parameters on any BFOs received.
- 7. Clerical Errors in Award.** The Agency reserves the right to correct inaccurate awards resulting from its clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a proposer and subsequently awarding the contract to another proposer. Such action on the part of the State shall not constitute a breach of contract on the part of the State since the contract with the initial proposer is deemed to be void *ab initio* and of no effect as if no contract ever existed between the State and the proposer.
- 8. Key Personnel.** When the Agency is the sole funder of a purchased service, the Agency reserves the right to approve any additions, deletions, or changes in key personnel, with the exception of key personnel who have terminated employment. The Agency also reserves the right to approve replacements for key personnel who have terminated employment. The Agency further reserves the right to require the removal and replacement of any of the proposer's key personnel who do not perform adequately, regardless of whether they were previously approved by the Agency.

E. STATUTORY AND REGULATORY COMPLIANCE

By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with all applicable State and federal laws and regulations, including, but not limited to, the following:

- 1. Freedom of Information, C.G.S. § 1-210(b).** The Freedom of Information Act (FOIA) generally requires the disclosure of documents in the possession of the State upon request of any citizen, unless the content of the document falls within certain categories of exemption, as defined by C.G.S. § 1-210(b). Proposers are generally advised not to include in their proposals any confidential information. If the proposer indicates that certain documentation, as required by this RFP, is submitted in confidence, the State will endeavor to keep said information confidential to the extent permitted by law. The State has no obligation to initiate, prosecute, or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information pursuant to a FOIA request. The proposer has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. While a proposer may claim an exemption to the State's FOIA, the final administrative authority to release or exempt any or all material so identified rests with the State. In no event shall the State or any of its employees have any liability for disclosure of documents or information in the possession of the State and which the State or its employees believe(s) to be required pursuant to the FOIA or other requirements of law.
- 2. Contract Compliance, C.G.S. § 4a-60 and Regulations of CT State Agencies § 46a-68j-21 thru 43, inclusive.** CT statute and regulations impose certain obligations on State agencies (as well as contractors and subcontractors doing business with the

State) to ensure that State agencies do not enter into contracts with organizations or businesses that discriminate against protected class persons.

3. Consulting Agreements, C.G.S. § 4a-81. Consulting Agreements

Representation, C.G.S. § 4a-81. Pursuant to C.G.S. §§ 4a-81 the successful contracting party shall certify that it has not entered into any consulting agreements in connection with this Contract, except for the agreements listed below. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the State, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction, requests for information, or (C) any other similar activity related to such contracts. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of chapter 10 of the Connecticut General Statutes as of the date such contract is executed in accordance with the provisions of section 4a-81 of the Connecticut General Statutes. Such representation shall be sworn as true to the best knowledge and belief of the person signing the resulting contract and shall be subject to the penalties of false statement.

4. Campaign Contribution Restriction, C.G.S. § 9-612. For all State contracts, defined in section 9-612 of the Connecticut General Statutes as having a value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to the resulting contract must represent that they have received the State Elections Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice, as set forth in "Notice to Executive Branch State Contractors and Prospective State Contractors of Campaign Contribution and Solicitation Limitations." Such notice is available at https://seec.ct.gov/Portal/data/forms/ContrForms/seec_form_11_notice_only.pdf

5. Gifts, C.G.S. § 4-252. Pursuant to section 4-252 of the Connecticut General Statutes and Acting Governor Susan Bysiewicz's Executive Order No. 21-2, the Contractor, for itself and on behalf of all of its principals or key personnel who submitted a bid or proposal, represents:

(1) That no gifts were made by (A) the Contractor, (B) any principals and key personnel of the Contractor, who participate substantially in preparing bids, proposals or negotiating State contracts, or (C) any agent of the Contractor or principals and key personnel, who participates substantially in preparing bids, proposals or negotiating State contracts, to (i) any public official or State employee of the State agency or quasi-public agency soliciting bids or proposals for State contracts, who participates substantially in the preparation of bid solicitations or requests for proposals for State contracts or the negotiation or award of State contracts, or (ii) any public official or State employee of any other State agency, who has supervisory or appointing authority over such State agency or quasi-public agency;

(2) That no such principals and key personnel of the Contractor, or agent of the Contractor or of such principals and key personnel, knows of any action by the Contractor to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the Contractor to provide a gift to any such public official or State employee; and

(3) That the Contractor is submitting bids or proposals without fraud or collusion with any person.

Any bidder or proposer that does not agree to the representations required under this section shall be rejected and the State agency or quasi-public agency shall award the contract to the next highest ranked proposer or the next lowest responsible qualified bidder or seek new bids or proposals.

6. Iran Energy Investment Certification C.G.S. § 4-252(a). Pursuant to C.G.S. § 4-252(a), the successful contracting party shall certify the following: (a) that it has not made a direct investment of twenty million dollars or more in the energy sector of Iran on or after October 1, 2013, as described in Section 202 of the Comprehensive Iran Sanctions, Accountability and Divestment Act of 2010, and has not increased or renewed such investment on or after said date. (b) If the Contractor makes a good faith effort to determine whether it has made an investment described in subsection (a) of this section it shall not be subject to the penalties of false statement pursuant to section 4-252a of the Connecticut General Statutes. A "good faith effort" for purposes of this subsection includes a determination that the Contractor is not on the list of persons who engage in certain investment activities in Iran created by the Department of General Services of the State of California pursuant to Division 2, Chapter 2.7 of the California Public Contract Code. Nothing in this subsection shall be construed to impair the ability of the State agency or quasi-public agency to pursue a breach of contract action for any violation of the provisions of the resulting contract.

7. Nondiscrimination Certification, C.G.S. § 4a-60 and 4a-60a. If a bidder is awarded an opportunity to negotiate a contract, the proposer must provide the State agency with *written representation* in the resulting contract that certifies the bidder complies with the State's nondiscrimination agreements and warranties. This nondiscrimination certification is required for all State contracts – regardless of type, term, cost, or value. Municipalities and CT State agencies are exempt from this requirement. The authorized signatory of the contract shall demonstrate his or her understanding of this obligation by either (A) initialing the nondiscrimination affirmation provision in the body of the resulting contract, or (B) providing an affirmative response in the required online bid or response to a proposal question, if applicable, which asks if the contractor understands its obligations. If a bidder or vendor refuses to agree to this representation, such bidder or vendor shall be rejected and the State agency or quasi-public agency shall award the contract to the next highest ranked vendor or the next lowest responsible qualified bidder or seek new bids or proposals.

7. Access to Data for State Auditors. The Contractor shall provide to OPM access to any data, as defined in C.G.S. § 4e-1, concerning the resulting contract that are in the possession or control of the Contractor upon demand and shall provide the data to OPM in a format prescribed by OPM [or the Client Agency] and the State Auditors of Public Accounts at no additional cost.
